

BARNYARD FUN & CORN MAZE

4 STEPS TO MAKING MEMORIES THAT LAST

Meet your Farmers

PHIL, JOHN & DIANE RIEHM

It's overwhelming to know how to create a great atmosphere where your friends and family will say they were glad you invited them.

Welcome to Riehm Produce Farm where Food and Fun begins!

I'm going to show you how to make memories to share with anyone, at any age.

Farm Fun Essentials

- 1. PICK A DATE** Start by "picking" a date. This sets your plan into motion and cuts to the chase for memories to begin. *Asking what date works best, only holds the fun up.*
- 2. KNOW THE MAZE** Talk about a few of the corn maze designs from past to present **on pages 4-6**, so you build the excitement.
- 3. SEND PICTURES** Whether you choose email, texting, FB message or other ways to connect. Don't send all the pictures of Riehm's Barnyard Fun activities at once **from page 7**. Instead, send a few pictures here and there. Folks will then have you and the date you have chosen on their mind more often.
- 4. CARPOOL** There is something about riding together that brings a relationship closer together.

Farm Fun Essentials

1. PIG RACE TIMES

Sure you will get some walking in while you are out on your adventure. But don't miss the pig races where you can sit for awhile and enjoy the show. Pigs run every two hours.

2. TARGET

Any skill level will be able to pull back the sling shots to splat veggies that would be thrown away at the numbered targets.

3&4. HAYRIDE & PUMPKIN CANNON

The pumpkin cannon will shoot off in the back pasture, where you'll see behind the scenes. So, sit back and let the wind blow through your hair on the hayride. We'll arrive back in 20 minute.

5. GOAT WALK

You'll forget that the laundry is piled up and the trash needs taken out when you watch the antics of the goats who walk the planks for food.

Farm Fun Essentials

6. CORN MAZE

Make it last from 10-45 minutes. If you want to take your time and answer all the trivia it will take you awhile. But if you want to make it quicker just look at the design to find a shorter way out.

7-11. WHAT TO DO IN BETWEEN

There's plenty of fun to keep everyone entertained for hours. Sometimes not everyone likes the same things, so pick and choose and meet back up at the pig races or another fun spot like Milk-a-cow, Checkers, Giant Games, Duck races, or Straw Tunnels.

We'd love to meet you!
